Needles for hand stitching (thimble if used)

Tracing paper

Pencil

Black marker

Pointy tweezers

The base material which works best for this art form is Pellon 70 Peltex Ultra Firm Sew-In Interfacing, it is 20" wide. It can be bought at JoAnn Fabrics <https://www.joann.com/peltex-fabric-stabilizer/7477532.html> If you have something similar on hand, don't feel pressured to purchase this substrate.

An inspiration photo or two of a nature scene (a flower, a tree, rocks, landscape) printed on plain paper to 8"x10".
